# DREAM BEDROOMS

DESIGN IDEAS ■ EXPERT ADVICE ■ SHOPPING

**CENTRE STAGE**

A dramatic four-poster bed is an ideal way to anchor an extravagant master suite. These soft, cream bed drapes and pelmet echo the shade of the walls, flooring and window treatments to create a sophisticated, cohesive look. As an alternative to a traditional headboard, gathered drapes can be hung behind a simple wall-mounted pelmet to striking effect.

# TIME TO DREAM

Whether you're planning a sumptuous suite, looking for multipurpose design solutions or seeking creative ideas for a child's room, our stylish suggestions have it all
